

AI Recruitment Policy

Version

1.0

Organization

Civil Service Commission

1. Purpose

This policy establishes the principles governing Artificial Intelligence assisted recruitment for the Civil Service Commission.

The objective is to ensure recruitment is:

- Fair
- Transparent
- Accountable
- Explainable
- Merit-based

AI shall assist HR officers but shall never replace final human decisions.

2. Scope

This policy applies to:

- Resume Screening
- Candidate Ranking
- Skill Matching
- Interview Recommendation
- Recruitment Analytics

3. Human Oversight

All AI recommendations shall be reviewed by authorized HR personnel.

Human reviewers may override AI recommendations whenever justified.

4. Explainability

Every AI recommendation must provide:

- Overall Score
- Matching Reason
- Strengths
- Weaknesses
- Skill Gap Analysis
- Confidence Score

5. Fairness

The AI system shall not discriminate based on:

- Gender
- Religion
- Ethnicity
- Age
- Disability
- Other protected characteristics
